EXPERIENCE

SOLUTION PRINCIPAL

Feb 2014 - Present

Slalom, LLC.

Engaged with clients to understand operations and business processes in order to design and recommend end-to-end information management solutions, including database design/structures, data integration, reporting frameworks, security, backup, and recovery.

DATABASE ARCHITECT

Nov 2011 - Feb 2014

Advantage Business Media, LLC.

Developed enterprise-level data warehouse infrastructures to capture and report on email and web analytics data. Architected the company's first integrated and unified subscriber database system using SQL Server 2008 R2 to funnel persona data between print and digital fulfillment houses.

SENIOR DATABASE ADMINISTRATOR

Apr 2010 - Oct 2011

Zucker, Goldberg, & Ackerman, LLP.

Engineered, architected and deployed numerous databases to serve functions such as warehousing loan inventory, tracking foreclosures, storing bankruptcy information from vendors, and case management history, both on-site and at off-site data center locations.

PRO SKILLS
